

Brad Zinn in "The Great Comedians"

Here's what audience members are saying...

What a performer! Great show! Enjoyed going back to all the old comedians. Wonderful memories - loved it! Do come back."

"Great evening of remembering! Loved Will Rogers and Durante! Keep it up!"

"...you are the best. Your impressions were great, it really sounded like the people from the good old days!"

"...you really took off with your impersonations - GREAT!! You will wind up in Las Vegas someday! From a New Yorker!"

"We really enjoyed your show. And we're old enough to remember and appreciate the good job you did."

"One of the best comedians I ever saw - clean, witty, talented, but never dirty..."

"Of all the comedy shows I've seen, this was the best. A great evening. God Bless."

"A wonderful show! Brad, what talent you have. You are so gifted!"

"Was Great!!! A wonderful medicine for broken hearts."

"Not having heard of Brad Zinn I knew not what to anticipate. Let me say I was pleased beyond expectations. More and more good luck to you!"

"We have heard several impersonation programs but feel your show was more realistic!"

"You have a way of endearing us to all of the wonderful characters you portrayed. Thanks!"

"You helped us to celebrate the best era of comedy our world has ever seen!"

"Excellent, superb, fantastic show. Great impersonations, great choreography, great comedy!"

"What a fun impersonator! When you would begin to talk and move as Jimmy Stewart, or Jack Benny or the many other personalities, we thought...'He's Brad Zinn and doing a great job.' As the act progressed though, we began to see not Brad, but the impersonated comedians. It was a gift to 'see' again our old favorites. It was mesmerizing."

I firmly believe you deserved the standing ovation at the end of it! Both my teen-aged boys laughed at the jokes even though they were "old." They have been even reciting them over the weekend as they liked the jokes so much.

"Excellent show. Brad has the right figure and personality for this 'Good Old Fashioned' type of entertainment."

"This was the most enjoyable program I have been to in five years...Keep up the good work!"

"I just really enjoyed every minute of your program. Was so so good to go back in time and enjoy some good clean entertainment that could make everyone laugh till our sides hurt. Your Jack Benny portrayal was terrific - also Will Rogers! Just Great!"

"Very entertaining. Captured facial expression and mannerisms! Good show!"

"I laughed until I almost cried...Your show was so good; don't change a thing!"

"Every act was very good. I hope everybody gets to see your show. Thank you!"

"We don't, as a rule, enjoy stand-up comedians but your performance was great! So glad we attended. Well worth the money and more."

Here's what audience members are saying...

"...an extraordinary presentation which prompted a very sentimental and meaningful journey for me!"

"Thank you for the lovely program. It was the best entertainment we saw in years. It was done in such good taste. Hope to see you again!"

"This excellent program exceeded our expectations and I would highly recommend it to friends. An enjoyable evening of good, clean fun - very entertaining."

"This show beats them all. It was fabulous."

"The show was outstanding. Jack Benny's violin was great - sounded just like him. Your singing is so good..."

"You have turned a remarkable talent into great entertainment!"

"Your show was great - we enjoyed the entire show. We especially liked your Jack Benny & George Burns imitation. Thank you for a fun evening."

"Congratulations! A truly enjoyable show. Personally, I'd like to see more Red Skelton! The audience really savors this little slice of time!!"

"Wonderful to see a clean show as I brought my 11 year old son. Thanks very much. He really enjoyed it, too."

"Brad - you're great and your voices are wonderful. Thanks for a nice funny evening - and a lot of memories."

"Thanks for bringing back old memories and the laughter. The best of success to you."

"We truly appreciate your talent, sentiment and the courage it took to make such a career decision. Surely those you pay tribute to are applauding along with your audiences. Our 40-ish daughter and her husband had a ball and so did we 'ole folks!'"

"Incredibly good show ... We were expecting "magic" but you delivered a different type of magic - a "tribute to The Great Comedians." Hadn't really thought about it before - the entertainers of yesteryear were very special and cannot be forgotten. You delivered a first class show Brad - proof of great entertainment without smut or vulgarity."

"Your 'sincerity' in honoring and remembering these great entertainers was very evident. Thank you for a great evening."

"He is wonderful! He is just excellent, he is just so good! What a great talent - would recommend his show to all! Even the kids loved it!"

"My husband and I thought you were wonderful. We were reliving history through you. You brought us back to a better time in life. Thank you."

"Your presentation was healthy, hilarious and clean. Keep up the good presentation."

I'm sure by now that you are aware that there are people in the audience being overcome with emotions other than just laughter. When George Burns first turns around to face the audience, it is almost too much to absorb. The effect is uncanny. If you insist on continuing this act you had better consider handing out tissues at the door. That's two tissues each. One for the tears of laughter and one for the tears of joy.
